Let's get to know a little bit more about the man behind the grill, Pinnacle Peak Steakhouse (San Dimas) Co-owner, Glenn Davis.

1. How long have you been involved in motorsports?

40 years

2. Who most influenced your journey into motorsports?

Friends

3. What is your favorite motorsports memory?

The one that hasn't happened yet.

4. How has your involvement in motorsports helped to grow your business?

Motorsports is a team sport, much like a business. Getting people focused on the goal creates opportunities for success.

5. What was your first exposure to the SRL, and what made you want to be involved with the series?

I used to love watching the Southwest Tour guys back in the day. When Frank Loverock asked me to help crew for his son Brandon at Mesa Marin, I was hooked. I've had an incredible opportunity to work with and sponsor several teams over the years. The competition level at the SRL always challenges you to be the best you can be. When the SRL took over, they raised the bar and took the series to new heights. Definitely the best stock car racing on the west coast! Supporting the series and teams is my way of giving back to a sport/series that has given me so much enjoyment.

6. Who is your favorite NASCAR Cup Series driver, both past and present?

Dale Sr. \ Martin Truex Jr.

7. What's your favorite racetrack?

The one I haven't been to yet.

8. If you aren't at the racetrack, where could we find you?

Race Shop
